BENEFITS POOL

TX Health Benefits Pool is the only health benefits option that's run by a board of Texas municipal officials like you. Our Board of Trustees is composed of mayors, council members, city managers, HR and finance directors, and first responders, all of whom understand the importance of balancing a set budget while providing their employees competitive benefit packages.

Over 30,000 Texans Strong

The Pool brings together hundreds of cities all across Texas and uses our combined size to negotiate better rates and benefits.
