

WE ARE

TX Health Benefits Pool

MISSION DRIVEN, PUBLIC FOCUSED

The Pool was founded 44 years ago to serve Texas municipalities. Over that time, we've expanded and evolved our capabilities to offer coverage to other political subdivisions and even school districts. To more accurately reflect the array of public entities who belong to our Pool, we are changing our name to: TX Health Benefits Pool.

But rest assured, all that's changing is our name. We are still governed by the same Board of Trustees—all of whom are current or former municipal officials. You can still expect to reach the same responsive staff, receive the same great service, and be protected by the same security Pooling has always offered you.
