

Who is TX+HB?

The TX Health Benefits Pool is a nonprofit intergovernmental risk pool that provides Texas political subdivisions with affordable health benefit plans.

OUR BOARD'S REGIONAL TRUSTEES

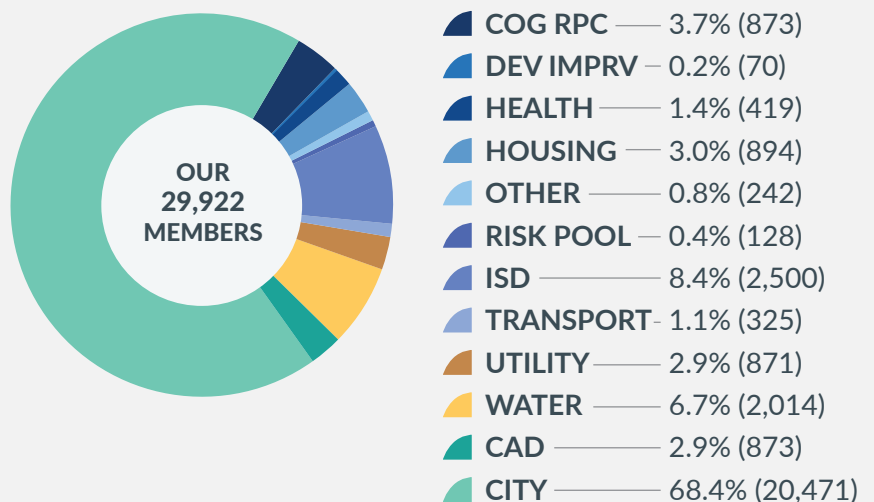

WE OPERATE UNDER CHAPTER 172

The TX Health Benefits Pool operates under the authority of the Interlocal Cooperation Act and Chp. 172 of the Local Government Code, which established the Texas Political Subdivision Uniform Group Benefits Program. The Pool consists of political subdivisions that join together through an Interlocal Agreement to provide health benefits to eligible employees, officials, retirees, and dependents.

WHO DO WE SERVE?

Going Beyond Traditional Healthcare

BENEFITS WE OFFER OUR MEMBERS

INNOVATIVE PARTNERS IN HEALTHCARE, ALL IN ONE PLACE

Blue Cross & Blue Shield of Texas®

TEXAS-SIZED NETWORK OF DOCTORS

TXHB partners with BCBSTX to offer members the broadest PPO network in the state as well as HMO and high-performing network options.

Direct Primary Care

INNOVATIVE NETWORKS

TXHB is now able to offer members in select areas access to unlimited primary care services for \$0 out-of-pocket cost.

Member Rewards

PUTTING CASH BACK IN MEMBERS' POCKETS

Prices can vary widely for the same medical procedure with the same good outcomes, depending on where the procedure is done. Member Rewards helps members find lower-cost high-quality medical providers and in

addition to the lower out-of-pocket costs, gives a portion of the money TXHB saves back to the member directly.

Lantern®

ONE-ON-ONE SUPPORT FOR SURGICAL PROCEDURES

Lantern is a network of top surgeons and facilities that offers a fixed bundled price for dozens of elective surgeries. Because of the improved outcomes and lower costs, TXHB offers our members the option to use Lantern for \$0 out-of-pocket in most cases.

Navitus® Prescription Benefits

TRANSPARENT PASS-THROUGH PRICING

Prescription drugs are one of the leading cost drivers in healthcare. TXHB partners with Navitus in a 100% transparent, passthrough pricing arrangement. Unlike traditional PBM arrangements, there is no extra markup on the drugs and 100% of all manufacturer payments are passed back to our members in the form of lower rates.

PROMOTING PREVENTIVE HEALTH AND A CULTURE OF WELLNESS IN THE WORKPLACE

\$150 Reward for Healthy Activities

Members can earn a \$150 Incentive check every year by completing a Wellbeing Survey and the member's choice of set activities that include physical activity challenges, educational challenges, or simply having a preventive care screening.

Next Level Weight Loss

A weight loss program including up to 12 virtual sessions with certified health and wellness coaches and significantly discounted weight loss subscriptions, including GLP-1 medications.

Wellness Your Way

TXHB works directly with group leadership to custom design wellness programs to fit their unique culture. With fun Group & Wellness Challenges, we offer a tailored approach to promoting long-term lifestyle changes amongst members.

Twin Health Diabetes Management

Launched this year, Twin Health is an amazing new program designed to help reverse diabetes through high-quality medical care and personalized lifestyle modifications.
